PROFESSIONAL SUMMARY

Finance and Accounting professional with hands-on experience in managing end-to-end accounting, taxation, and compliance for multiple clients. Currently working as an Accountant, I handle bookkeeping, GST compliance, TDS filing, payroll processing, reconciliations, and financial reporting. Skilled in addressing practical challenges such as TDS mismatches, delayed filings, and client coordination while ensuring accuracy and audit-ready documentation. My expertise includes GST filings (GSTR-1, GSTR-3B, 2A/2B reconciliation), TDS compliance, month-end close, MIS reporting, and payroll processing. Currently pursuing Chartered Accountancy (CA), I am continuously strengthening my knowledge in taxation, financial reporting, and audit. Proficient in MS Excel, Zoho Books, ERPNext (Frappe), Power BI, and Razorpay, with a strong interest in Tax, Audit, and Finance roles.

WORK EXPERIENCE

Brandshark

Feb 2026 - Present

Financial Operations & Reporting.

- Managed end-to-end accounting operations, ensuring accuracy in financial records and reporting
- Led month-end closing process including adjustment entries, ledger reviews, and financial statement finalization
- Prepared MIS reports and analytical insights to support management decision-making
- Maintained cash flow and petty cash controls with strong documentation and audit readiness

Taxation & Statutory Compliance.

- Managed end-to-end GST compliance including GSTR-1, GSTR-3B filings and 2A/2B reconciliation to ensure accurate ITC claims.
- Handled complete TDS compliance cycle including computation, challan payment, return filing, and resolution of mismatches.
- Oversaw payroll processing with accurate salary computations and ensured compliance with statutory requirements (PF, ESI, PT) within due dates.

Process Excellence & Client Success.

- Optimized accounting workflows in Zoho Books, ensuring structured documentation and alignment with standard accounting practices
- Performed detailed reconciliations across accounts, identifying discrepancies and implementing corrective actions to ensure financial accuracy
- Collaborated on client onboarding and agreement structuring, aligning commercial terms with compliance and internal policies
